

The Robotics Academy

WeDo Robotics - 6-9 yr olds
NXT Robotics - 10-15 yr olds

Saturdays
Beginning in September
10:00am-12:00pm
1:00pm- 3:00pm

This workshop will teach the basics of robotics while adding a creative edge to foster the interest in engineering and technology. Each workshop is 4 Sat.s long. New Themes this Fall! Space is limited.
(thanks to the UW Venture Fund)

OPPORTUNITIES FOR SCOUTS

Badge Grab workshops for Girl Scouts!
Elective Workshops for Boy Scouts!
Check with us for a listing of programs!

CAMPS AT THE IMAGINARIUM

Be sure to check in for our fall camps! This Thanksgiving Break and Winter Break, kids can investigate a great variety of topics to keep them busy creating, crafting, and problem-solving! Camps start just as soon as school lets out and Space is limited, so register early!

Memberships to the Museum

Imaginarium members enjoy free admission to the museum, which includes our FREE programs Monday through Sunday! Members also get special discount pricing on paid workshops, camps, and birthday parties. For more information about Memberships, please ask for a Membership Brochure at the front counter.

Basic Membership includes:

- Free admission for one year for parents and their children living under one roof
- Discounts on birthday parties
- Discounts on workshops and camps
- Private previews of new exhibits
- Members only seasonal parties
- Priority registration for camps

- ★ New Programs!
- ★★ New Time!
- ★★★ Paid Workshop:
Fees include all supplies.

Family Create It! workshop is a great way to spend quality time together.

SUPER SCIENCE

FREE All Ages

The Science that is all around you! Try a different mini-experiment every week.

WILD CRITTERS!

FREE All Ages ★ **NEW!**

The Best of the "Growing Up Wild" stuff & the fun of meeting lots of "critters" up close & personal! From animals to nature activities, this program has it all!

PUPPET PALOOZA

FREE Ages 0-5 years

Each week the Imaginarium Puppeteers bring a new children's story to life! Bring your little ones to watch the show and join in the fun. Puppet Shows are immediately followed by an activity.

MAGICAL MATH MOMENTS

FREE All ages

Math anxiety got you down? Find out how to make Math fun with these games and thinking activities, thanks in part to the Laredo Gateway Rotary and the Children's Museum of Houston!

HEART SMART

Free All Ages

Hop on the Healthy bandwagon! Join us for a physical and mental exercise that gets your blood pumpin' and mind jumpin' to the beat of heart smart activities! Every week we show you the fun side of staying healthy for the family!

BRIGHT SPARKS TODDLER TIME

FREE ★★
(returns to its regular time)
Ages 0-4 years

Bring your little ones for a sensory bonanza! Book readings and tactile experiences make for extraordinary fun!
DRESS FOR MESS!

ECOART

FREE All Ages

For the budding and environmentally-conscious artist! Using recycled materials, create a masterpiece!

FAMILY CREATE IT! ★★★

\$5-10 members • \$10-15 non-members All Ages!

Each class includes all supplies and families work together to create a finished product to take home! In the past, workshops have included blinky bugs, garden fountains and circuit building for jewelry and jitterbots. One Saturday a month brings a new workshop, so check the website often!

CHAIN REACTION

FREE All ages

Museum Staff & Volunteers work together with families to create chain reactions that "play" with Newton's 3rd Law of Motion. Create a new chain reaction course each week as we add new materials, obstacles and objects!

ENGINEER IT!

FREE All ages

Stop in and design, build, create with different materials and new challenges, thanks in part to the United Way Venture Fund!
