

EXPLOPRO Afterschool Science Club

Join the ExploPro Afterschool Science Club - where we're getting messy with Science! The club meets each week during the school year. At each meeting, the club features a hands-on science activity for each "explorer" to make and/or do! From construction to destruction, from chemistry to physics to life-science, we are doing it all! Space is limited to 15 students per class, students must pre-register.

\$10/Class - \$100/full 12 week course for members

\$15/Class - \$170/full 12 week course for non-members

Mondays • 2nd & 3rd Graders: 4:00-5:30 pm
• 6th - 8th Graders: 6:00-7:30 pm

Tuesdays • K-1st Graders: 4:00-5:30 pm
• 4th & 5th Graders: 6:00-7:30 pm

CAMPS AT THE IMAGINARIUM

Be sure to check in for our seasonal camps! We offer several camps and mini camps throughout the year including Spring Break Camp, Summer Camps, and mini camps during the Winter Break (before and after Christmas). Our camps offer a wide variety of topics, so there is something for everyone!

OPPORTUNITIES FOR GIRL SCOUTS

Ask about special offers for girl scouts and opportunities for the entire troop!

Memberships to the Museum

Imaginarium members enjoy free admission to the museum, which includes our FREE workshops on Wednesdays, Thursdays, Saturdays & Sundays. Members also get special discount pricing on paid workshops, camps, and birthday parties. For more information about Memberships, please ask for a Membership Brochure at the front counter.

Basic Membership includes:

- Free admission for one year for parents and their children living under one roof
- Discounts on birthday parties
- Discounts on workshops and camps
- Private previews of new exhibits
- Members only seasonal parties
- Priority registration for camps

BRIGHT SPARKS TODDLER TIME

FREE

Ages 0-4 years

Bring your little ones for exploring extraordinary uses for ordinary objects. DRESS FOR MESS!

SUPER SCIENCE

FREE

All Ages

Every Wednesday we offer a one hour science activity open to all museum visitors. Each week is a new activity, so be sure to join us each week!

PUPPET PALOOZA

FREE

Ages 0-4 years

Each week the Imaginarium Puppeteers bring a new children's story to life! Bring your little ones to watch the show and join in the fun. Puppet Shows are immediately followed by an activity.

ECOART

FREE

All ages

Stop in every Thursday for a one hour art activity using recycled materials. Feed your creative side and save the planet at the same time! New activity every week.

ROBOTICS WORKSHOP

\$5 members • \$10 non-members

Ages 9-14 Only

Learn how to construct and program a robot that can see, move, react to sounds, avoid obstacles, and pick up objects on command! These robots will use the LEGO Mindstorms interface and technology to obey your commands. What will your robot do?

CREATE IT! WORKSHOP

\$15 members • \$20 non-members

Ages 5 - 12 years

Each class includes all supplies and the kids create a finished product to take home! In the past workshops have included workshops in car design, LED lights, and circuit building for jewelry and jitterbots. Each Saturday brings a new workshop,

CHAIN REACTION

FREE

All ages

Museum Staff & Volunteers work together with families to create chain reactions that "play" with Newton's 3rd Law of Motion. Create a new chain reaction course each week as we add new materials, obstacles and objects!

YOU ART WHAT YOU EAT

FREE

All ages

Create a work of art with supplies that can be found in your kitchen!
